Brief Biography

Currently I am the interim director of the University Counseling Center. I am a licensed Marriage and Family Therapist, and Approved Supervisor for the American Association of Marriage and Family Therapists. I am also certified in EMDR, which is a protocol focused on healing emotional trauma. I have been married to Rich, my best friend for over 30 years, and I totally enjoy being a grandmother. Skiing, camping and hiking are favorite hobbies.

Teaching Interests: My teaching has been limited since joining the Counseling Center, but as the internship coordinator I enjoy mentoring students who join us for their counseling internships.

Professional Interests: Professional interests include leadership and supervision, organizational development and systems, and the treatment of eating disorders on college campuses and healing from trauma.
